

Heliodor Mortgages Tariff of Mortgage Charges Effective 1 April 2024

Please note this tariff replaces any previous tariffs.

At Heliodor Mortgages, we support the mortgage industry's initiative with Which? to make our fees and charges easy for you to understand.

Our Tariff of Mortgage Charges fully reflects the initiative's good practice principles. The same document is being used across the industry to help customers compare mortgages.

When looking at the fees other firms charge, you may notice some that don't appear in our tariff (below). This means we don't charge you these fees.

If you are unable to pay your mortgage or if we have reason to believe there is a breach of your mortgage terms and conditions		
These are the most common charges you may have to pay if you fail to keep up with your mortgage payments. Some, for example, relating to our repossession of the property, may apply later in the process and will be dependent on your circumstances.
